

## **PARADISE BIRD, DESIGNED BY: LUCA NICHETTO**

*Paradise Bird is a collection of extraordinary furniture: it manifests an attitude to life – an exciting interplay between freedom and retreat, openness and security. Unconstrained, the extroverted design combines noble elegance with functional flexibility, demonstrating a sophistication that effortlessly continues the great Viennese tradition of formally elegant design. The collection includes a lounge chair, high-back chair, sofa, stool, chair and bed – all the eclectic result of the pursuit of ultimate comfort.*

*The seamless combination of exclusive materials underlines their high quality and exudes a lightness of touch on the one hand and reliable stability on the other. The collection's characteristic feature is a metal frame – available in a choice of black or brass-coloured – whose delicate, vertically running lattice bars pay tribute to Josef Hoffmann's style in their geometry.*

### **Paradise Bird Desk**

*A desk extends and complements the Paradise Bird collection designed by Luca Nichetto for Wittmann in 2020.*

*Echoing the welcoming feel inherent in the Paradise Bird collection, the asymmetrical Paradise Bird Desk invites interaction with its sweeping curves and elegant lines. Seamlessly integrated into the side panels is a smooth-running drawer that rounds out the masterful craftsmanship in the truest sense and perfect form.*
